participants in community events

Data through 06/30/2020

Today's Program

- Get updates from each of our 3 MCAQ Program Areas – Permitting & Enforcement, Mobile Sources, Ambient Monitoring.
- Hear about the latest ozone monitoring data for county!
- Hear about our Improvement Project efforts – including work to improve our website.
- Learn about our current business practices - how we're performing compliance inspections, how we're processing submittals, and more.
